

Certificate of Quality

Catalog Number 226-176

Sorbent: 45/60 mesh Silica Gel treated with Hydrochloric acid
Tube Holder: Type C

**SKC is an ISO 9001 registered
manufacturing company.**

For compliance sampling, use these tubes as specified in a validated sampling method. It is the user's responsibility, employing a suitable method, to establish appropriate safety and health practices and to determine the applicability of regulatory limitations before use. The user should adjust the sampling procedures to specific conditions and should test tubes to ensure that the desired results will be obtained.

SKC Limited Warranty and Return Policy
